1.2 The Fund

The Fund was established in 1962 as a mutual fund under The Barristers’ Sickness and Accident Fund, 1961 Trust Deed (“**Trust Deed**”). The purpose of the Fund is to provide sickness and accident disability insurance to members of the New South Wales Bar Association (“**Association**”) who are accepted as members of the Fund. Holders of the insurance must be members of the Fund and vice versa.

A copy of the Trust Deed will be provided to prospective members upon request.

1.3 Persons who may apply for this product

Only barristers who are ordinary Class A members of the New South Wales Bar Association are eligible to apply to obtain this product.

In accordance with the provisions of the Trust Deed, the Trustee has the absolute discretion to refuse membership or renewal of membership to a qualified person or refuse to do so except on terms and conditions which it considers appropriate.

The Trustee may also, at its discretion, require any applicant to be examined medically before making a decision upon any application or renewal.

1.4 Nature of product

1.4.1 General

This insurance product provides income protection insurance. Insured members of the New South Wales Bar Association may recover in respect of loss of income resulting from sickness or accident that prevents them, or an accident that materially limits them from, engaging in, or attending to, the profession of barrister. The product essentially provides annual insurance cover subject to renewal as at 30 April each year. Renewal is not guaranteed.

The terms of the insurance offered on renewal may not be the same as the terms in the preceding year (see section 7).

1.4.2 Membership of Fund

This insurance product is provided through membership of the Fund. Effectively membership of the Fund operates as a contract of insurance between the member and the Trustee.

The Trustee is authorised by the Australian Prudential Regulation Authority to carry on an insurance business under the *Insurance Act 1973 (Cth)*.

2 Features of insurance

Features of the insurance provided by this product are set out in the table below:

Item	The Event	The Benefit
A.	An accident occurring while you are a member of the Fund causing a total disablement from engaging in or attending to the profession of barrister for an initial continuous period of not less than seven (7) days.	During the period of such disablement, including the first seven (7) days, a daily benefit equal to one-seventh (1/7) of the full weekly benefit applicable for the period of insurance during which the event occurs.
B.	An accident occurring while you are a member of the Fund causing partial disablement rendering you unable in a material degree to attend to or engage in the profession of barrister for an initial continuous period of not less than seven (7) days.	During the period of such disablement, including the first seven (7) days, a daily benefit of 25% of one-seventh (1/7) of the full weekly benefit applicable for the period of insurance during which the event occurs.
C.	An illness, contracted more than 28 days after commencement of unbroken membership of the Fund, causing total disablement from engaging in or attending to the profession of barrister for an initial continuous period of not less than seven (7) days from the date of commencement of medical attention, being disablement caused solely and directly by any illness, independently of any other cause. The Trustee may in its discretion decide that the commencement of the period of disablement in respect of which compensation is to be payable need not be from the date of commencement of medical attention.	During the period of such disablement, including the first seven (7) days, a daily benefit equal to one-seventh (1/7) of the full weekly benefit applicable for the period of insurance during which the illness commences.

3 Benefits

3.1 Qualifying period

Cover under the insurance in respect of a disabling illness is subject to a qualifying period of 28 calendar days (from the date of acceptance as a member of the Fund), and the minimum period of disablement before a claim can be made is 7 days.

In respect of an accident, coverage begins from the date of acceptance as a member of the Fund and the minimum period of disablement before a claim can be made is 7 days.

Subject to the qualifying period in respect of an illness and the seven (7) day minimum period in respect of disablement for illness or accident, a claim can be made in relation to the first day of a period of disablement.

3.2 Maximum period of cover

The maximum period of cover is for a total of 52 weeks in respect of any one illness or accident.

In a case where you return to work and are later unable to attend to your practice because of incapacity caused by a recurrence of the original injury or illness, a total of 52 weeks of benefit will be paid even though the incapacity may extend into the next insurance year.

3.3 Income protection coverage

You may choose the level of cover you require, subject to your income level and the minimum and maximum levels of benefit current at the time of your application or renewal.

At the date of this PDS the minimum benefit payable is \$100 per week. You may select a weekly benefit up to \$7,500 (in multiples of \$100). The maximum weekly compensation payable to a member, however, will not exceed the members' average weekly pre-disability income (see section 5.2 below).

3.4 Making a claim under this product

In order to make a claim under this insurance product in respect of a **covered event** (being an event detailed in the table set out under section 2 above) you must:

- obtain and follow proper medical advice from a medical practitioner as soon as possible after the happening of any of the covered events;
- give written notice to us (in the form of our claim form and medical certificate form) setting out full details of the relevant event within 21 days of the relevant accident occurring or illness being contracted; and
- provide such medical certificates and/or other evidence as we require (obtained at your expense).

In respect of a covered event we may require you to submit to one or more medical examinations conducted by a medical practitioner of our choosing at our expense.

4 Costs and Premiums

4.1 Other Costs

Both Goods and Services Tax ("GST") and Stamp Duty apply to your premium payments.

Apart from the premium payable in respect of your chosen weekly benefit and the relevant GST and Stamp Duty payable in respect of that premium, there are no other fees or charges associated with this product.

However, we may require you to provide certificates and evidence relating to any claim made by you. In these circumstances any certificates and evidence we require shall be furnished at your expense.

4.2 Amount Payable (Premiums)

The amount payable by you depends upon the weekly benefit you select (in multiples of \$100). Annual premiums are a percentage of the weekly benefit chosen, based on five year age bands up to the age of 69. The current schedules of annual premiums payable may be obtained by contacting BSAF at the address shown in 1.1 above.

Our insurance year runs from 1 May to 30 April. All insurance coverage held by members ends on 30 April each year. Where the period of your insurance under this product is less than 52 weeks we will adjust the premium pro-rata.

4.3 Taxation

Premiums are tax deductible under Australian income tax laws though any benefits you receive from this insurance policy must be disclosed as income.

This information is based upon present laws and is general information only. You should seek taxation advice from a qualified professional advisor in relation to your specific circumstances.

The GST and Stamp Duty amounts set out in the attached table are based on current legislation and rates. Should there be any change in the amount of GST or Stamp Duty payable we reserve the right to pass this cost on to you.

5 Exclusions and Risks

5.1 Exclusions from cover

We **will not pay** you any benefit in relation to the following:

- (1) Any disablement which is attributable to:
 - (a) Intentional self-injury (or suicide) or any attempt in respect of the same; or
 - (b) Normal uncomplicated pregnancy or childbirth, including multiple pregnancy, caesarean birth, threatened miscarriage, participation in in-vitro fertilisation or other medically assisted fertilisation techniques and normal discomforts of pregnancy, such as morning sickness, backache, varicose veins, ankle swelling and bladder problems.
- (2) Any accident occurring or illness contracted whilst you are engaged in any sporting activity in a professional capacity.
- (3) Any consequence of war, civil war, invasion, act of foreign enemy, hostilities or war-like operations (whether war be declared or not), terrorism, mutiny, civil commotion assuming the proportions of or amounting to a popular rising, military rising, insurrection, rebellion, revolution or military or usurped power.
- (4) For any one or more accidents sustained and/or one or more illnesses contracted during any one year of membership of the Fund in excess of an aggregate period of disablement of 52 weeks.
- (5) Under more than one of items A, B and C in the table under section 2 above in respect of the same period of time.
- (6) For any period where you were not working as a barrister for any reason other than accident or illness or for any week days (and intervening weekends) on which you were not intending to engage in or attend to the profession of barrister.
- (7) In respect of any accident occurring or illness contracted at a time when you were not a practising barrister.

5.2 Limitation on benefits paid

The maximum weekly benefit payable to you will not exceed your average weekly pre-disability Income.

In addition, if you have sickness or accident insurance in addition to this product and the combined benefit from this product and that other insurance would entitle you to be paid more than your average weekly pre-disability income then the Trustee may reduce the weekly benefit payable to you to the extent that the aggregate weekly benefit from this product and that other insurance do not exceed your average weekly pre-disability income.

A benefit is only payable under this product in respect of a period of disability which occurs when the member is alive. This product does not include a death benefit.

“Pre-disability Income” means the average gross weekly income you earned from the practice of the profession of barrister in the 12 months immediately before becoming disabled. If you have worked as a barrister for less than 12 months before becoming disabled, it means the average gross weekly income from the practice of the profession of barrister over the period you have worked immediately before becoming disabled.

5.3 Conditions of cover

You must give immediate written notice to the Trustee of any change in your profession or occupation. Before each renewal of this product you must give written notice to the Trustee of any disease or physical defect or infirmity which you are aware affects you.

As soon as possible after the happening of any of the covered events, you must procure and follow proper medical advice from a medical practitioner.

Written notice containing full particulars of any event in respect of which a claim is to be made must be given to the Trustee at its registered office as soon as possible but in any case within 21 days of any relevant accident occurring or illness being contracted.

You must, as often as required by the Trustee, submit to medical examination by a Medical Practitioner on behalf of the Trustee at your own expense.
